

Climb into the saddle of support, mid-September to mid-November, observing Breast Cancer Awareness Month. Help expand the circle of people supporting breast cancer survivors to find revitalizing, fresh perspectives for their lives through Riding Beyond.

Riding Beyond is a free opportunity for women who have experienced the rigors of breast cancer treatment by revitalizing their whole person emotionally, physically, and spiritually, through carefully designed, guided interactions with horses.

“. . .one of the most treasured and healing experiences I've had in this rocky road. . . .a healing of the heart.”

“I was pain-free for hours, the first time in two years!”

“I had to give up being in charge of my well-being during treatment and afterward I struggled to get back to being in charge. Riding Beyond restored that to me.”

“Mystic is a constant companion with me now. I had no idea a horse could do that!”

“That horse hugged me, just when I most needed it!”

ENCOURAGE YOUR CLIENTS - both men and women - TO JOIN THE RIDING BEYOND RAFFLE FUNDRAISER over the two months from mid-September to mid-November. We will provide raffle tickets for you to sell at \$5 each. Your salon will appear in our weekly updates via email and social media to over 2,000 people.

DRAW THE TICKET for the lucky winner on November 15 and notify him/her. We will have a celebrative fanfare on our Facebook page announcing the winners. One of our volunteers will gather all tickets and proceeds from you in the week following November 15.

Each participating salon will be recognized on our Facebook page and website as they climb into the saddle of support. The salon who sells the most tickets will receive a special gift from the horses and the women of Riding Beyond, in gratitude for your support.
